

The 17th Annual KSEA South-Western Regional Technology Conference

“World Leaders in Integrated Science, Technology, and Engineering”

<p>Session Chairs</p> <p>Earth and Planetary Science Jason Hyun</p> <p>Computer Science & IT Jongwook Woo George Wang</p> <p>Electrical Engineering John Hong</p> <p>Mechanical Engineering & Aerospace Technologies Daniel Choi Chanho Lee</p> <p>Physical & Material Science Jeong S. Moon</p>	<p>This Technology Conference is a celebration and exploration of Korean-American scientists and engineers as leaders and innovators. We will hear from <i>remarkable scientists and engineers</i> regarding their careers, researches, industries, and life stories. The conference offers three specialized sessions with more than 30 speakers and a Bio Venture session (starting at 1:00pm) for research, licensing, commercialization collaboration and partnership between companies in Korea, Southern California, and San Diego areas.</p> <p>Date and Time: 8:00am Saturday, February 10, 2007 Location: Hilton Pasadena 168 South Los Robles Ave. Pasadena, CA 91101</p> <p>Keynote speaker: <i>Dr. Robert H. Grubbs</i> at Cal Tech, <i>the 2005 Nobel Laureate</i> in Chemistry (9:00am)</p> <p>Invited speakers: Dr. Oh-Kab Kwon Chairman of KOSEF Mr. Hee Sok Park, Director of KUSCO Prof. Wayne K. Lee, President Elect for KSEA Dr. Yunjin Kim, Jet Propulsion Laboratory Mr. Ki Suh Park, Gruen Associates Dr. Esther Yang, Abbott Laboratory</p> <p>Organizers: KSEA (www.ksea.org) Southern California Chapter, www.ksea-sc.org Korea-U.S. Science Cooperation Center, www.kusco.org Korean-American Women in Science and Engineering, www.kwise.org</p> <p>Registration fee: Free for KSEA member (application accepted with registration) including breakfast and lunch</p> <p>Contact: John Lee (publicity chair) at jchlee@pacbell.net or Taewan Ryu at tryu@ecs.fullerton.edu or 714-686-3871 for general information Henry Yoo (Bio venture session chair) at henryyoo@gmail.com for the bio venture forum</p> <p>General Chair: Taewan Ryu, California State University, Fullerton Program Chair: Jane Oh, Jet Propulsion Laboratory Organizing Committee: Josh Choi, Choong H. Kim, Sora Cho, Lee Yoo, Hyun Lee, Jason Choi</p>	<p>Session Chairs</p> <p>Bio Venture Henry Yoo</p> <p>Medical & Life Science Jang Hyun Youn Woojin An</p> <p>Women in Life Science Haejung An Gye won Han</p> <p>Biomedical Engineering Sam Y. Bae</p> <p>Applied Chemistry & Chemical Engineering Chan Seung Park Ray Won</p> <p>Civil & Environmental Engineering Youn Sim Jin Kim</p>
